Protective & Investigative Services

## About us

At Vision Security Consultants, Inc., we believe our security services must encompass more than a simple presence. We understand that corporate culture, family, lifestyle, religion, and other considerations make each client's needs unique. VSC's main objective is to deliver the highest quality of security services that meet or exceed each customer's specifications. Our goal is to provide an experienced, professional security organization that focuses on providing the most secure environment for our clients.

**"If It's Predictable,  
It's Preventable."**

Our integrated security services include executive protection, specialized investigative services, guarding services, and consulting - all in one trusted source.

Our experienced, trained Agents/Guards are interactive facilitators who ensure every aspect of our clients' protection and security needs are addressed.
